

JEAN JACKSON
Regional Director – Western Region
DEFENSIVE RETIREMENT SPECIALIST

Jean Jackson's background revolves around caring for the needs and concerns of others. She worked overseas with her husband in Japan for 16 years with Mission to the World. Locally, she has served as the International Student Program Director at a private school for 5 years, and at the YMCA as the Dance Director. Most significantly, she is the mother of nine children and an ever-increasing family of grandchildren.

As the Western Washington Regional Director, Jean brings this same passion of caring for others needs to help her clients discover their best options for preparing for today, as well as their future retirement.
